

Music for ALL Monday course

September 2019– June 2020

Bonnyrigg

Music for All provides joyful participation in music making and is focused to welcome people with learning disabilities. During the year we explore a range of music and songs, including music to celebrate festivals, seasons, nature, and reflecting on current events. The course content is designed to encourage participation and engagement in the group and the music, with time to chat and socialise (and any mobile phone use) during the tea break.

NB. The programme is available all year on the Music for ALL page of www.columcillecentre.co.uk.
